ATLAS 4 SPEED INSTALLATION KIT

KIT CONSISTS OF:

<i>No.</i>	<i>Qty</i>	<i>Part No.</i>	<i>Description</i>
1.	3	303200	OIL
2.	6'	303400	BREATHER HOSE
3.	1	303401	BREATHER VENT
4.	1	303402	VENT FITTING
5.	2	303403	HOSE CLAMPS

GENERAL INFORMATION:

This kit supplies you with the recommended breather hose to connect to the top of the Atlas transfer case. The breather should be routed into the engine compartment and fastened to the fire wall. The three quarts of oil are provided for the first oil change as recommended in your Atlas manual.

SPECIAL NOTE: The components packaged in this kit have been assembled and machined for specific type of conversions. Modifications to any of the components will void any possible warranty or return privileges. If you do not fully understand modifications or changes that will be required to complete your conversion, we strongly recommend that you contact our sales department for more information. This instruction sheet is only to be used for the assembly of Advance Adapter components. We recommend that a service manual pertaining to your vehicle be obtained for specific torque values, wiring diagrams and other related equipment. These manuals are normally available at automotive dealerships and parts stores.
